

# watchTVEverywhere

## Get the Most Out of Your TV Subscription

Watch your favorite channels plus music from any device, anytime. All you need is an internet connection on your smartphone, tablet or laptop to stream your favorite content.

## Features

- It is FREE. There is no extra charge to use it. You only need to be a subscriber to the package that includes the channel(s) you want to watch.
- You can register up to six (6) users for each TV service account.
- watchTVEverywhere includes live TV. Enjoy live game coverage on the NFL Network or WatchESPN.
- Full episodes of current TV shows are available within days of their premiere. You can also catch up on the entire season or previous seasons of your favorite shows.

## What You Need to Watch

All you need is your mobile device or PC and an internet signal!\* There is no limit to the number of devices you use, but some TV networks may limit the number you can use at the same time.

Almost all watchTVEverywhere programs are available on PC, laptops, tablets and mobile phones. Several networks are also available on Apple TV, Roku and Xbox. However, some networks have not made their programming available on all devices so please visit your device's app store to determine availability.

## How to Subscribe

Access is authorized by subscribing to the corresponding package that contains the channel(s) you want to watch. Create a watchTVEverywhere account at [www.summit-broadband.com](http://www.summit-broadband.com) by clicking on the link at the top of the home page and following the step-by-step instructions to register.\*\*

\* Data rates may apply. Certain channels may not be available in some viewing areas.

\*\* It may take up to 24 hours after you have registered before you can log in to the various content providers to which you have access.
